1. _____

Albert Einstein was a very famous science fiction in this century. His feather and mother were born in Peruvian. He discovered the Law of the Relationship. Albert Einstein was addicted to the drug's science and he had a fat green period named Lara.

2. _____

I am a human being. I have ten fingers on my hand. Children are young. When I cut my hair, it will be short.

3. _____

After breakfast, I got up early in the morning. All in all, I said hello to my mother. Next, I went to school and played with my friends. First, I brushed my teeth and took a shower. In addition, I helped my mother to clean the house. Anyway, today was very busy and happy.

4. _____

she how to use him showed campus? i has Breakfirst at night it are a good ider for Studants to work part-time while are they going to School?

5. _____

I woke up in the morning, looked in the mirror, and I wasn't there I was invisible and I couldn't see myself so I went downstairs to eat breakfast but my mother couldn't see me so she screamed and I thought what can I do now and so I went to the living room and decided to read the newspaper but my younger sister thought I was a ghost she screamed and ran out of the room and I went to school and no one could see me so I decided to play tricks on my friends and it was a fun time.

6. _____

I think that computers are important.

7. _____

nor is it a mammal. It is an amphibian.

1st draft: A frog is not a reptile ~~nor mammal is. Is amphibian.~~ Amphibians can live on land or in water.

2nd draft: A frog is not a reptile nor mammal is. Is amphibian. Amphibians can live on land or in water.

8. _____

My paragraph is on cats. Some people like cats. Other people, however, think that they are boring animals. I agree. There is nothing interesting about them. But they have four legs and fur. In ancient times, Egyptians loved their cats. Today, cats hang around the house and do nothing. So now I am finished with my paragraph.
